## Output:

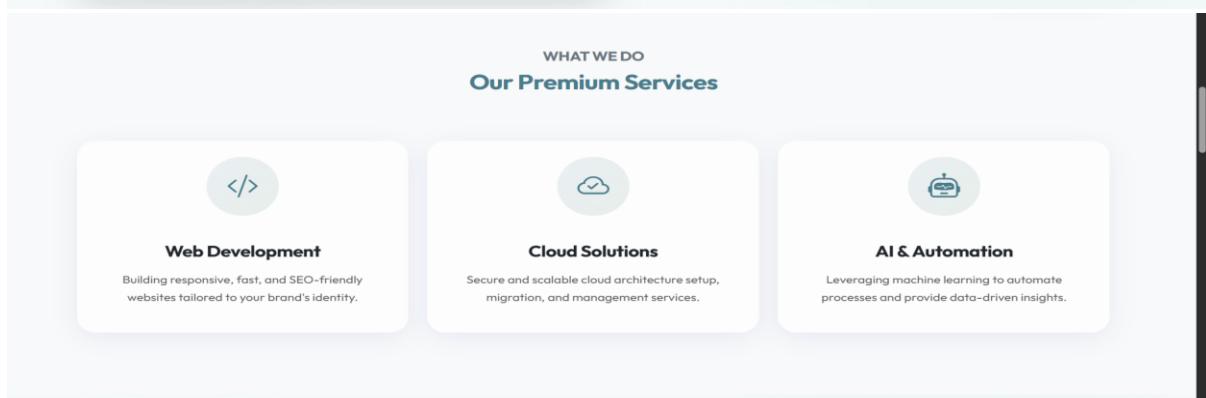

The homepage features a top navigation bar with links to Home, About, Services, Team, Testimonials, Contact, and a prominent teal 'Get Started' button. The main hero section has a background image of a wooden desk with multiple laptops, a smartphone, headphones, and snacks. It displays the tagline 'Collaborative Growth' and the subtext 'We build scalable and secure software together.' A 'Meet The Team' button is located at the bottom of this section.

This section features a large image of Earth from space at night, showing city lights. The text 'Future Is Here' is centered over the image, with the subtitle 'Empowering your business with next-gen technology solutions.' Below it is a 'Explore Our Services' button.

This section includes a photograph of four people working together at a table with laptops. To the right, under the heading 'WHO WE ARE', is the subtext 'Innovating for a Digital World'. It describes TechNova Solutions as a forward-thinking technology partner dedicated to transforming businesses through digital innovation. It highlights expertise in crafting bespoke web applications, leveraging cloud infrastructure, and integrating AI. Two circular icons with checkmarks are shown: 'Expert Developers' and '24/7 Support'.

The final section is titled 'WHAT WE DO' and 'Our Premium Services'. It features three service cards: 'Web Development' (with a code icon), 'Cloud Solutions' (with a cloud icon), and 'AI & Automation' (with a robot icon). Each card includes a brief description and a small note below it.

- Web Development**  
Building responsive, fast, and SEO-friendly websites tailored to your brand's identity.
- Cloud Solutions**  
Secure and scalable cloud architecture setup, migration, and management services.
- AI & Automation**  
Leveraging machine learning to automate processes and provide data-driven insights.
